Small Agency Complimentary Registration

The conference is open to all agencies and it is a great opportunity to network with the tactical team leaders from around the state. There is a misconception that the conference is only for those agencies with a team. We want to dispel that notion and make sure every Sheriff and Chief knows and understands that their attendance, as well as that of their command staff, at the tactical leadership conference is wanted, requested and valued. **Matter of fact, it is so important to us that we will offer you ONE complimentary registration fee (if you have not previously attended a Tactical Leadership Conference) at the 2022 conference so you can come and see for yourself the value of the training and networking opportunities.**

There is training specific for agencies that do not have a team but may need to request assistance from a SWAT Team.

If you have not previously attended and would like to come and/or send a member of your command staff, simply contact Nanette Gilbertson by [email](#) or at 406-443-5669.
